

Owner lesson record

Write the instructions and feedback from your own lesson.

Dog: _____ Lesson date: _____

1. The situation and my question

Who was present, where it happened, and what I wanted to understand.

2. The instruction I practised

The cue, requested response, release or ending, and help the trainer instructed me to use.

3. What I tried and the feedback I received

Keep my actions and the trainer's assistance separate.

4. The next step agreed with my trainer

Where and when to practise; when to pause, simplify or ask for help.

5. What I want explained again

A question to bring back before increasing difficulty.

6. Recording or reference

Video/page title, link and timestamp, if available.
